### ABOUT ME

This is my fifteenth year of teaching. My first teaching job was in Virginia. I was there for seven years before moving to Carlisle. While I was there, I taught kindergarten (1 year), 1<sup>st</sup> grade (2 years), and 3<sup>rd</sup> grade (4 years). I taught 5<sup>th</sup> grade my first year at Crestview and have been in 2<sup>nd</sup> grade since.

I grew up in small town in eastern Pennsylvania. In 2005, I graduated from Juniata College with a degree in Elementary Education. Last spring, I completed a master's degree in Literacy Education at Penn State Harrisburg.

I live in Carlisle with my cat, Monterey. He loves to sleep, eat kitty treats, snuggle, and play with tennis balls.
