

Welcome to FOURTH GRADE

Hello fourth grade students and families! My name is Miss O'Donnell and I am SO excited to be your teacher this year. Here is a little information about me and what you can expect in our classroom this year.

In fourth grade, students will strengthen their critical thinking skills as they participate in more challenging course topics. I am a firm believer that having a **growth mindset** provides students with the right tools to face challenges they may encounter both in and out of school.

Although we faced many unique challenges last school year, I look forward to an amazing school year with lots of new opportunities to **grow** and **learn!** As you prepare for this upcoming school year, be sure to look over the 4th grade school supply list. Please consider donating a box of tissues or disinfectant wipes to our classroom! Other materials such as notebooks and folders will be provided to students. If you have any questions or concerns please email me at odonnells1@carliseschools.org.

Help us build our classroom library! If you would like to donate a book (or two!) use the link to visit the Amazon wishlist:
