

My name is Mrs. Allison Ramper. I am very excited to have this opportunity to be your teacher this school year! 4th grade is an exciting year and I can't wait to have you in my classroom. I hope you've been enjoying your summer. Get ready for an exciting year in 4th grade!

I am married with four children (Samantha 27 yrs, Madison 22 yrs, Logan 19 yrs, and Emma 16 yrs). I am also a grandmother to Jayson 6 yrs and Riley 4 yrs. I love spending time with my family and being outside hiking, swimming, etc. I have one child in college now (Madison graduated from Brockport in NY and Logan is a sophomore at Slippery Rock).

This is my 15th year at Crestview Elementary. I look forward to getting back to school this month. I am a strong believer in open-communication and hard-work from myself, each student, and their families. My grandfather (teacher and coach) told me, "Education is like a three-legged stool - teacher, student and parents. With all three balanced and working together, the stool can stand up and be supported." I am eager to partner with you this year.

As you prepare for the fall, please understand that last year was very different for all of us, but my goal is to engage, enrich, educate, and guide each student to excel! Be sure to examine the 4th Grade Supply List and buy your son or daughter's favorite color or design on the supplies. Remember to label your child's personal items with their first name and last initial.

Keep checking my classroom website where important updates and information will be posted throughout the year. My classroom uses a wide range of apps and websites throughout the day so I implement those into my professional practice, instruction, and review for my students.
