

Dear kindergarten friend,

I am Ms. Frohman, and I will be your kindergarten teacher this year! We are going to have a great time together in kindergarten. We will read books, go outside on the playground, sing, make new friends, eat snack and lunch, and learn something new every day!

Let me tell you a little bit about myself. I grew up in Carlisle. I have a dog named Sal. I like all colors, but light pink is my favorite right now. I love spending time with my family and friends, participating in outdoor activities, and reading. I also enjoy playing volleyball. I have played on many teams and have coached teams, too! I love to sing, and I will teach you many songs this year at school.

I would love to know more about you! Ask your parents to help you write a letter about yourself. Tell me about your favorite thing to do and what you want to learn in kindergarten. Bring it to school on the first day of kindergarten or any day after school starts. It will be very fun for me to read your letter and get to know you better!

Remind your parents to help you get your school supplies ready. I am very excited to meet you!

Love,
Ms. Frohman
