

# Hi!

# I'm Mrs. Mixell

Dear Kindergarten Friends,

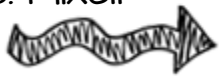

I am so excited that you are going to be in my class this year! I hope that you had a great summer. I read books and spent time with my family. Did you read any good books this summer? One of my favorite books is *Pete the Cat: I Love My White Shoes* by James Dean.

Kindergarten is so much fun! You will become a better reader, writer, mathematician, and scientist. We will have a year of learning and adventures.

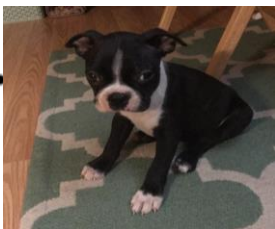

I'm going to share a little bit about myself. I have lived in the Carlisle area my whole life. This is my 13<sup>th</sup> year teaching for the Carlisle Area School District. I love teaching kindergarten! Mr. Mixell and I have a 3 year old little girl named Ensley and a dog named Darla.

I would love to know more about you! Ask your parents to help you write a letter about yourself. Tell me about your favorite thing to do and what you want to learn in kindergarten. Bring it to school on the first day of kindergarten or any day after school starts. It will be very fun for me to read your letter and get to know you better!

Love,  
Mrs. Mixell
