# PARENT TESTIMONIALS

Our first (and not last!) CTSAC experience has exceeded our expectations! Our daughter asks to be picked up last daily. She comes home telling stories of games, challenges and experiences, and truly looks forward to seeing her friends and teachers."  
- Leigh Beshaw

"ChildTime has been an incredible resource to my family! The staff is supportive, caring and nurturing. We have peace of mind knowing they provide a safe, engaging, fun environment for kids."  
- Gwen Ross

"CTSAC provides an amazing environment for my children. The staff have gone above and beyond to keep my children healthy and safe, nurtured and encouraged through learning, and supported our family through unprecedented times. I have no idea what we would have done without this partnership with CTSAC!"  
- Jill Bentley

"The 2020-21 School Year was the first year our family used ChildTime and it has been a wonderful experience. They were flexible with our schedule which was extremely helpful and appreciated. The AM/PM staff made my child feel very welcome and comfortable in the program. The staff that assisted with Learning Labs throughout the week due to COVID did an excellent job keeping my child on track and made sure all Zoom Meetings were attended. I knew she was well taken care of and in good hands."  
- Michelle Sarokon
