

<p>5. Guidelines</p> <p>SC 1301</p>	<p>All district employees shall strive to maintain a respectful school climate and to prohibit physical or verbal harassment of any individual or group, including infected students.</p> <p>All employees shall be required to consistently follow infection control/universal precautions in all settings and at all times, including playgrounds and school buses. Employees shall notify the school nurse of all incidents of exposure to bodily fluids and when a student's health condition or behavior presents a reasonable risk of transmitting an infection.</p> <p>Building administrators shall notify students, parents/guardians and employees about current Board policies concerning HIV infection and shall provide reasonable opportunities to discuss the policy and related concerns.</p> <p><u>Attendance</u></p> <p>Infected students have the same right to attend school and receive services as other students and shall be subject to the same policies and rules. HIV infection shall not factor into decisions concerning class assignments, privileges or participation in any school-sponsored activity.</p> <p>School authorities shall determine the educational placement of infected students on a case-by-case basis by following policies and procedures established for students with chronic health problems and students with disabilities.</p> <hr/> <p>When an infected student's parent/guardian voluntarily discloses information regarding the student's condition, the district employee who receives the information shall obtain the written consent of the parent/guardian to disclose the information to members of the Screening Team.</p> <p>A Screening Team comprised of the Superintendent or designee, building principal, school nurse, district physician, public health official, student's parent/guardian, and attending physician shall evaluate the infected student's educational placement. Placement decisions shall be based on the student's need for accommodations or services.</p>
-------------------------------------	--

	<p>First consideration must be given to maintaining the infected student in a regular assignment. Any decision for an alternative placement must be supported by specific facts and data.</p>
<p>SC 1329 Title 22 Sec. 11.25</p>	<p>An infected student who is unable to attend school, as determined by a medical examination, shall be considered for homebound instruction or an alternative placement.</p>
<p>SC 1329, 1330</p>	<p>An infected student may be excused from school attendance if the parent/guardian seeks such excusal based on the advice of medical or psychological experts treating the student.</p> <p>An infected student's placement shall be reassessed if there is a change in the student's need for accommodations or services.</p> <p><u>Confidentiality</u></p>
<p>35 P.S. 7607</p>	<p>District employees who have knowledge of an infected student's condition shall not disclose any information without prior written consent of the student's parent/guardian, consistent with the requirements of the Pennsylvania Confidentiality of HIV-Related Information Act.</p>
<p>SC 1409</p>	<p>All health records, notes and other documents referring to an infected student's condition shall be secured and kept confidential.</p> <p><u>Infection Control</u></p> <p>Employees shall treat all bodily fluids as hazardous and shall follow universal precautions for any exposure to bodily fluids.</p> <p>The school district shall maintain reasonably accessible equipment and supplies necessary for infection control.</p> <p><u>Staff Development</u></p> <p>All district employees shall participate in a planned HIV education program conducted by the school nurse.</p> <p>Designated district employees shall receive additional, specialized training appropriate to their positions and responsibilities.</p> <p><u>Prevention Education</u></p>

Title 22 Sec. 4.29	The goals of HIV prevention education shall be to promote healthy living and discourage the behaviors that put people at risk of acquiring HIV infection. Prevention education shall be taught at every level, be appropriate to students' developmental maturity, and include accurate information about reducing the risk of HIV infection.
Title 22 Sec. 4.4, 4.29 Pol. 105.1	Prior to HIV/AIDS instruction, the district shall inform parents/guardians that curriculum outlines and materials used in the instruction shall be available for review.
Title 22 Sec. 4.4, 4.29 Pol. 105.2	A student shall be excused from HIV/AIDS education when the instruction conflicts with the religious beliefs or principles of the student or parent/guardian, upon the written request of the parent/guardian.
