

Meet the teacher

Miss Barnshaw

ABOUT ME

Hello! My name is Miss Barnshaw and I am so excited to be your child's fifth grade teacher! I grew up in Fleetwood, PA and now live in Carlisle after falling in love with the community.

I graduated from Messiah University with a degree in Elementary Education and ESL. I also studied music and love incorporating that in the classroom! I taught 5th grade at Crestview my first two years, 4th grade last year, and am so excited to be moving back up to 5th grade with so many of my students from last year!

I believe strong, positive relationships are the key to success in the classroom. I love engaging students by using the things they love the most to help them learn! I can't wait to continue to build upon our relationships started last year.

We will be working as a departmentalized team this school year, so your child will have me as their ELA, Writing, and homeroom teacher. They will go to Mrs. Feeser's room for Math, Science and Social Studies! More information about what that schedule will look like will be available.

I can't wait to partner together to make this an amazing year!
