## New Crestview Counselor!

Hey Crestview!

My name is Mr. Kime, and I am so excited to meet everyone and be your new School Counselor! I was born and raised in Lancaster Pennsylvania but went to college in Mechanicsburg about 20 minutes from Crestview Elementary. Working at Crestview will be my first job as a school counselor, and I could not be more excited! I am passionate about helping every student grow and become whoever they wish to be. I want to make sure every student feels like they belong and has the tools they need to succeed. I am also a middle school soccer coach who loves playing sports, so students...you might just see me out on that soccer field during recess. Please come by my room and introduce yourself, ask a question, or just to say hi so I can get to know you!

## The GREAT COIN Challenge

January 24th-27th

Students will have an opportunity to bring in coins to benefit the buck a book campaign. Students will turn in their coins at lunch. The more coins that are brought in, the more silly and crazy things that Mr. Carmichael will do.

What crazy and fun things will Mr. Carmichael have to do? Join him in a fun and exciting adventure to support Buck a Book!
