About Me

I am so excited for this upcoming school year! I live in Carlisle with my husband Steven and dog Hazel. I just got married this summer, so the students know me previously as Miss Comerford. I have a Bachelor's Degree in Elementary Education from Susquehanna University. This is my second-year teaching 2nd grade at Crestview. In previous years I worked as a Kindergarten teacher, Education Director at a daycare and a substitute teacher. I believe teaching is one of the most rewarding positions someone can possess. Knowing that I will be a part of your child's success brings me great pleasure. We will have a great year together!
