CRESTVIEW NEWS

Core Value Focus-Individuality

Trunk or Treat Night Monday, October 25th 4:30-6:30

Join us for a fun filled evening where students will get to "trick or treat" around the bus loop! All Crestview students are encouraged to come out for this fun night. We will also have our book fair set up.

Don't forget to wear your favorite costume!

We look forward to seeing you at this fun filled event!

Halloween Parade and Parties Friday, October 29th

On **October 29th**, Crestview will host our Halloween party and parade. This will be an internal school event for students and staff. Unfortunately, no visitors or families will be allowed to attend. Students should come to school dressed in their costumes.

- Students will be in their costumes for the entire day so please make sure it is comfortable and something that the students can sit in.
- Students may NOT bring pretend weapons or wear costumes with violence or gore.

We can't wait to see all the awesome costumes this year!

COUNSELOR'S CORNER

Kids love to say that they did "nothing" all day at school. Here are some tips to get your children to open up to you more about what they did during the day. <https://www.todaysparent.com/family/age-by-age-guide-to-getting-your-kid-to-talk/>

Do your students have lots of questions or concerns about COVID and you aren't quite sure the best way to respond?

This link from the National Association of School Psychologists might be helpful: <https://www.nasponline.org/resources-and-publications/resources-and-podcasts/school-climate-safety-and-crisis/health-crisis-resources/helping-children-cope-with-changes-resulting-from-covid-19>

If you have any questions or concerns that you would like to discuss with me, the best ways to contact me are through email or phone: otooleh@carliseschools.org 717-240-6800 x22826.

Core Value Focus– Individuality

District Closure Information

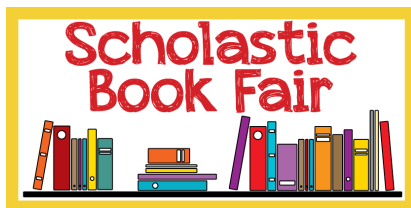

As a follow-up to the district closure information sent to you last week, here are several important points. If the district, a school or even a classroom should close due to COVID-19 the following will occur:

- You will receive general building information from Mr. Carmichael.
- Your child's classroom teacher will then communicate a more detailed schedule.
- On the first day of the closure your child will be assigned tasks and activities via Seesaw. No Zoom sessions will occur on the first day.
- On the second day of closure, your child will begin zooming, with staff, throughout the day following their daily schedule. The daily schedule, for everyone, begins at 8:30 AM.
- Students will receive instruction in all academic subjects daily.
- Students will receive instruction in a "special" class daily.
- The length of each period will be modified.
- Students who receive support services and extra curriculars will continue to receive these services.

Book Fair

Crestview will be hosting our Scholastic Book fair during School on **October 21st and 22nd.**

Picture Retake Day

October 12th will be our picture retake day.

School Schedule

On **October 11th** we will have no school. Enjoy the day!

Notes from Crestview Nurse

Happy Fall and Back to School!! We are so happy to have the students back 5 days a week!
Just a few reminders:

Please update PowerSchool if you have not done so.

It is important that we have current contact phone numbers in the case of an emergency.
A reminder email was sent from the District on 10/1/2021, if you need instructions.

Please have your students bring a water bottle to school each day!

Due to covid, water fountains are turned off, but we do have filling stations available.
Staying hydrated is an important part of staying healthy.

School Exam Requirements are now overdue:

Students in Kindergarten need a physical and dental form submitted.

Students in Grade 3 need a dental form submitted.

Forms can be found on the Health Services Webpage

Please submit these forms to Mrs. Rampulla, if you have not already done so.

Say “BOO” to the Flu! – The Centers for Disease Control advises everyone 6 months of age and older get a flu shot. Talk to your doctor as soon as possible.

We want to THANK YOU for keeping ill students at home. We know that the prolonged isolation and quarantine periods can be difficult. Our main goal is to keep students healthy and safe, and we appreciate your partnership in this achieving this goal.

Symptoms checklist, for keeping children home from school:

Group A	Group B
Cough Shortness of breath Difficulty breathing New lack of smell or taste Temperature of 100.4 or higher	Chills Muscle pain or body aches Headache Sore throat Nausea or vomiting Diarrhea Congestion or runny nose Fatigue (more tired than normal)

Please contact Mrs. Rampulla, Crestview School Nurse, with any questions or concerns.
