

# MEET THE TEACHER

## WELCOME

**We are happy that  
you are here!  
My name is Rachel  
Weyant.**

## ABOUT ME

I've been living and teaching in Carlisle for 21 years ☺ About half of that time, I was a 4<sup>th</sup> grade teacher, and the last 11 years, I've been a reading specialist. I graduated from Dickinson College and completed my Masters at Shippensburg University.

I have also completed training to become a Dyslexia Therapist with a specific certification in the Wilson Reading System.

## HELLO!

I am a reading specialist here at Crestview. I work with students who need more individual and specific support with reading and spelling development. My classes are called "reading intervention".
