

CRESTVIEW ELEMENTARY

I am thrilled to welcome you to the 2021-2022 school year at Crestview Elementary School! The faculty and staff are busy preparing the school and classrooms for another exciting year of learning and growth. I am looking forward to hearing about your summer adventures, and meeting all of the Crestview students!

The Crestview staff is prepared to tackle any challenge that we face this school year and have been working tirelessly to prepare Crestview for your children.

Thank you for your partnership and for helping to make education possible for all our children during these difficult times. We will need to work together to create a strong, united front to ensure our students are prepared for this 2021-2022 academic school year.

Below is some important information regarding the arrival and dismissal of students:

In the morning (Arrival):

8:20- Doors open and students will go to their classrooms. Crestview has many adults who will be ready and prepared to transition your children to their classrooms. If they are on a bus, an adult will escort them directly from the bus into the building. If they are a drop off student, adults will meet them just inside the building to take them where they need to go.

8:20-8:40- Optional breakfast in the classroom will be served. Students who are interested in getting breakfast should go to the main entrance to retrieve their breakfast.

8:40- Late bell rings-All students will need to come to the main entrance at the front of the building if they arrive after 8:40.

There will be extra adults available to help students with this transition at the beginning of the year

During the school day:

All late arrivals and early dismissals should use the main door at the front of the school. All visitors and guests should always be prepared to bring their state ID. If you need to drop off something at the school, we will have a designated "drop off area" just inside the front door. If you have any questions or concerns throughout the day, please reach out to us at 717-240-6800 ext. 22805.

End of the school day (Dismissal):

3:20- Parent pick ups will happen at the back of the school- Please be patient the first few weeks as we work through our process for the first time. Families will be given a tag which they will place on their review mirror.

3:20- Bus students will begin to dismiss out the front of the building. All students will have a colored bus tag identifying their bus number.

There will be extra adults available to help students with this transition at the beginning of the year

Here are some important dates that I would like to bring to your attention:

August 19th- 2:00-6:00- Back to School Open House- The building will be open during this time for families to visit classrooms and tour the building.

August 23rd- First day of School
