

# Welcome to 3rd grade!

My name is Ms. Mione and I am so excited to be your teacher this year! We are going to learn so many new and exciting things together. I have been teaching since 2014, and have been at Crestview since 2016.

It is very important to work together as a classroom family. We will be spending a lot of time together so it is important that we treat each other with respect, kindness, and compassion. Everyone in our class is unique so we will spend the first two weeks getting to know each other and learning how to work together. We will make mistakes. We will have challenges. We will learn how to persevere and how to turn those mistakes into learning. We will learn a lot of fun things like multiplication, division, fractions, poetry, and cursive!
