

Meet the Teacher

Mrs. Samuelson

Hello Fourth Grade Families!

I am so excited to have you in my class this year. For those of you who are new to the school, welcome to Crestview Elementary. I can't wait to meet you! I have taught in the district for many years at almost every grade level, and am excited to teach you this year! My goal this year is to work hard, build community, and love learning together!

A little about me~

I graduated from Messiah College and completed my Master's Degree at Penn State Harrisburg. I live here in Carlisle with my husband and three sons. All three of my sons are also in the Carlisle School District. I enjoy reading, spending time with my family, and walking my dog.

4th GRADE

Important Information for the Start of School:

- 1. Thursday, August 14 from 3:00-6:00 is Open House. I can't wait to meet you!**
- 2. Please check the back to school supply list.**
- 3. Students should plan on bringing a water bottle to school each day.**
- 4. Your child may bring a healthy snack to school. They may enjoy it around 10:30 each day.**

**If you have any questions please email me:
