

# WELCOME TO 4<sup>TH</sup> GRADE

Crestview Elementary School 2025-2026

## A bit about me!

Favorite Color: Teal

Favorite Food: Tacos

Favorite Candy: Reese's PB Cups

When I'm not at school, you might find me...

searching for the best ice cream shops, getting coffee with friends, or bird watching with my husband!

## What to Expect in 4<sup>th</sup> Grade

Starting in 4<sup>th</sup> grade, students will be following a departmentalized model of instruction. If your child is in my homeroom class, they will have me for reading and writing. They will have Mrs. Samuelsen for math, science, and social studies. This year students will strengthen their critical thinking skills as they participate in more challenging course topics and expand their knowledge in all subject areas. I am a firm believer that having a growth mindset provides students with the right tools to face challenges they may encounter both in and out of school.

I look forward to an amazing school year with lots of new opportunities to grow and learn! As you prepare for this upcoming school year, be sure to look over the 4th grade school supply list. Please consider donating a box of tissues or disinfectant wipes to our classroom! Other materials such as notebooks and folders will be provided to students.
