Ms. Hodder

Welcome to 5th Grade!

This is going to be such a **GREAT** year of learning, with so many wonderful activities to celebrate! To have a fun year, the most important goal is to create a family of learners in our classroom. At this age, there are lots of changes, I'm committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. It is my hope that you will support and encourage this vision at home, too. I can't wait to meet you!
