

WELCOME

Dear Families,

Welcome back to a new school year! I'm Mrs. Lehman, and I'm thrilled to be your child's teacher. I live in Carlisle with my husband and three daughters. I studied special and elementary education at Millersville University. I also have a Masters Degree in inclusion education. In my free time, I enjoy reading, listening to music, and shopping.

I'm really excited about our year! We have lots of fun and exciting learning opportunities planned. Fifth graders have some big projects and other opportunities like the spelling bee this year. I can't wait to see what this year has in store for your child, and I'm looking forward to working together with you.

During Back to School night you will receive more important information about our subjects, curriculum, classroom expectations, and a few forms that need to be filled out and returned to school with your child. Please see the attached supply list to prepare for our year!

I'm truly looking forward to a fantastic year with your child. I have many exciting things planned and I'm eager to get started!

Sincerely,

Mrs. Lehman
