

# Miss. Richert

Grade 5 Math, Science, Social Studies

## About Me!

Welcome to 5th grade! I'm Miss. Richert and I'm so excited to be your teacher this year! This is my first year teaching 5<sup>th</sup> grade. I grew up in Connecticut and graduated from Messiah University this past Spring.

We have so many exciting things planned throughout the year. I believe teamwork is the key to success and I cannot wait to work and grow together in our learning. I believe in creating a safe space where everyones ideas are valued and mistakes are an opportunity to learn.

Together- we can help each child succeed. I look forward to communicating with each of you throughout the year as we discuss more upcoming information. If there are any questions, please feel free to contact me!

## My Favorites:
