

# MEET THE TEACHER

Ms. Short

## ABOUT ME

Hello! Welcome to Kindergarten! My name is Nicolette (Nikki) Short, and I am so excited to have you in my class this year! I am originally from Delaware and graduated from Shippensburg University with a degree in General Education and Special Education. This is my second year teaching Kindergarten, and I feel blessed to be part of such an important milestone in your child's life. My goal is for every child to feel safe, encouraged, confident, and excited to come to school each day. We will build strong reading and math foundations, foster independence, and develop kindness and respect for one another. My door is always open, and I look forward to working together for a wonderful Kindergarten year!
